

The Bush Dynasty's Back Story

From Editor Robert Parry: With Jeb Bush's hat in the ring, one could say the Bush Family doesn't want all the U.S. presidencies, just the odd-numbered ones, with Jeb shooting for "45" to go with his dad's "41" and his brother's "43." But there is a hidden back story to the Bush Dynasty that must be told.

The trilogy of my last three books traces the history of the two Bush presidencies and their disastrous impact on the world. And we are offering the trilogy at a deep discount for only \$34, or less than half price. And, for U.S. orders, shipping is free. (For non-U.S. orders, the extra postage is \$20 or a total of \$54.)

The three books *Secrecy & Privilege*, *Neck Deep* (co-authored with Sam and Nat Parry) and *America's Stolen Narrative* would normally cost more than \$70. And \$4 from each \$34 purchase will go to support the journalism you read at Consortiumnews.com.

The newest book, *America's Stolen Narrative*, also sheds new light on some old mysteries: Did Richard Nixon sabotage Lyndon Johnson's Vietnam peace talks to win the 1968 presidential election, and did Ronald Reagan follow a similar script in sinking Jimmy Carter's Iran hostage negotiations to secure the 1980 election.

To take advantage of this offer, just go to the Web site's "[Donate](#)" button and make a \$34 "donation" using Visa, MasterCard, Discover or American Express. We will read a donation of that amount as an order for the trilogy. (For non-U.S. orders, make the "donation" for \$54.)

If your mailing address is the same as your credit card billing address, we will ship the books to that address. If your mailing address is different, just send us an e-mail at consortnew@aol.com and we will make the adjustment.

You can also take advantage of this special offer by mailing a check for \$34 (or \$54 for non-U.S. orders) to The Media Consortium; 2200 Wilson Blvd.; Suite 102-231; Arlington VA 22201. Or you can use our Paypal account, "consortnew @ aol.com." Just make sure you include your mailing address in the message.

Robert Parry is a longtime investigative reporter who broke many of the Iran-Contra stories for the Associated Press and Newsweek in the 1980s. He founded Consortiumnews.com in 1995 to create an outlet for well-reported journalism that was being squeezed out of an increasingly trivialized U.S. news media.
