

Get Parry's Classic Book, 'Fooling America'

From Editor Robert Parry: As part of Consortiumnews' fall fund drive, we are re-releasing my first book, *Fooling America*, a critique of the mainstream media published at a time (in 1992) when many people still viewed major U.S. news outlets through the outdated prism of Watergate and the Pentagon Papers.

The book captures a crucial moment in time when the mainstream U.S. media lost its way, no longer serving as the public watchdog, failing in its duty to keep the American people honestly informed about important events. The book gives you a first-hand look into this collapse from my position inside Washington journalism in the Reagan-Bush-41 era.

You can get a signed copy of this new edition (with a new foreword), along with a CD of a speech that I gave about the book in 1992, for a tax-deductible donation of \$125 to our fall fund drive. (The same gift offer applies for anyone who has set up a recurring donation to Consortiumnews.)

.....
To donate to our tax-exempt non-profit, you can use a [credit card online](#) (we accept Visa, Mastercard or Discover) or you can [mail a check](#) to Consortium for Independent Journalism (CIJ); 2200 Wilson Blvd., Suite 102-231; Arlington VA 22201.

For readers wanting to use PayPal, you can address contributions to our account, which is named after our e-mail address: "consortnew@aol.com". We are also registered with PayPal's Giving Fund under the name Consortium for Independent Journalism. (Since we are a 501-c-3 non-profit, donations by American taxpayers may be tax-deductible.)

Donations of any size are appreciated.

If you wish to get the thank-you gift, just follow up your donation with an email to us at consortnew@aol.com with instructions on where to mail it. We'll pay the shipping charges. (To save you time, we'll assume that any donations of \$125 are for *Fooling America* and the related CD and we'll send them to the address attached to your credit card.)

Another way to help Consortiumnews survive is to buy my three-book trilogy on the Bush dynasty *Secrecy & Privilege*, *Neck Deep* and *America's Stolen Narrative* for the discount price of only \$34, less than half the cover price. Given Jeb

Bush's presidential run, it contains important history that Americans should know.

To get the trilogy, just go to Consortiumnews.com's "[Donate](#)" button and make a \$34 "donation" using Visa, Mastercard or Discover. We will read a "donation" of that amount as an order for the trilogy. If your mailing address is the same as your credit card billing address, we will ship the books to that address. If your mailing address is different, just send us an e-mail at consortnew@aol.com and we will make the adjustment.

You can also take advantage of this trilogy offer by mailing a check for \$34 to The Media Consortium; 2200 Wilson Blvd.; Suite 102-231; Arlington VA 22201. Or you can use our PayPal account, "consortnew @ aol.com." Just make sure you include your mailing address in the message. (A portion of each sale will go to support our investigative journalism.)

For U.S. orders of the trilogy, we will pay for the shipping. **(Regrettably, this three-book offer can only be made for the United States because of increased international postal rates.)**

Another contribution option is to donate stock or other equities, which can offer a tax advantage to you if the stock has appreciated in value. If this stock-donation option appeals to you, I suggest you discuss it with your broker and then contact me at consortnew@aol.com for specific instructions on how to transfer the stock.

Again, thanks for your support and for making our nearly two decades of honest journalism possible.

Robert Parry is a longtime investigative reporter who broke many of the Iran-Contra stories for the Associated Press and Newsweek in the 1980s. He founded Consortiumnews.com in 1995 to create an outlet for well-reported journalism that was being squeezed out of an increasingly trivialized U.S. news media.
