MEMORANDUM FOR DR. ROY GODSON

FROM: WALT RAYMOND

SUBJECT: "Private Funders" Project

Attached herewith are some papers that I have received from Brian Crozier. Crozier is looking for private sector funding to work on the question of "anti-Americanism" overseas. I am persuaded it is a significant long term problem. It is also the kind of thing that Ruppert and Jimmy might respond positively to. Please look over the stack and let's discuss if and when there might be further discussion with our friends.

Walt,
It seems to me as with all programs like this it very much depends on the competence of the organizer. Is he really good? Worth \$500K/yr.? If the answer to both is yes, then I think we should work to help him. J
