

Your review request must be completed on an Application for Review by the Refugee Status Review Committee (Form 907) available from your nearest Regional Office of the Department. It should state why you disagree with the decision to refuse refugee status to you. Include any facts or circumstances you wish to have taken into consideration and any changed circumstances since your Application for Refugee Status was lodged. Changes in circumstances should be supported by evidence, with English translations where appropriate.

You should enclose a copy of this letter with your request.

Please address all correspondence to:
